

Introduction to Sociology

At a glance

- Accepted for credit transfer by Strayer University
- 4.5 quarter credits at Strayer University
- Strayer University equivalency: Introduction to Sociology (SOC 100)

Course description

Sophia's Introduction to Sociology course helps you gain mastery of the basic principles of sociology. In this course, you will learn a variety of topics, including sociological theory, cultural deviance, social interaction, diversity, stratification, education, technology, and health in modern society. You will also have the opportunity to demonstrate the application of these topics in sociology to everyday situations.

Assessments & grading

This is a pass/fail course. You must complete 15 Challenge assessments (these are like quizzes) and 5 Milestone assessments (these are like tests) with an overall score of 70% or better.

Learning outcomes

At the end of the course, you'll be able to:

- Identify foundational philosophies, theories, and methods in the field of sociology.
- Apply principles of culture and deviance to real life scenarios.
- Analyze social interaction and collective behavior in a real world context.
- Identify and apply elements of diversity, stratification, and inequality in real life.
- Analyze perspectives on elements of modern society.
